## ATTENTION AUTHORS!!

Are you thinking of self-publishing?  
Then we're here to help.

- **Book Cover Layout:** Standard cover package includes layout for one graphic, minimal graphical/text enhancements, text on back cover, a solid colored spine and back. Basic, custom and full spread layout services also available.
- **Interior Formatting:** The standard interior formatting package includes one font choice throughout, three or four asterisk scene dividers, text font one size throughout (except title pgs). Basic and custom formatting services available.
- **File Conversion for Kindle:** Get a "clean" HTML file from your Word.doc or RTF file. For use when self-publishing in Kindle format. Conversion from DOC/RTF to PDF also available.
- **Editing:** This process checks for spelling, punctuation, spacing, and typographical errors as well as providing input as to where improvements in grammar, style, structure, plot, characterization, POV, flow, dialogue, and/or organization can be made.
- **Proofreading:** This review service looks for those typical spelling, punctuation, spacing, and typographical errors often overlooked by authors.

**EditWriteDesign is listed at [WritersMarket.com](http://WritersMarket.com) under professional editorial and design services.**

WritersMarket.com "uses their best judgment in deciding which companies to list" and makes "every effort to avoid listing disreputable companies by screening listings, searching for feedback on companies, and listening to feedback from writers." *Thanks WritersMarket.com!*
